

South Coastal Health and Community Services – Dietitian

About Us

Based in Rockingham, South Coastal Health and Community Services is a community service organisation that supports the physical and mental health needs of women and families in the unique, diverse communities of the south coast corridor in the Perth metropolitan area. For more details please see our website www.southcoastal.org.au

Role – Part-Time 15 hours per week

The position of Dietitian is responsible for providing SCHCS clients with education and advice to improve their overall physical and mental health and wellness. The role will encompass the delivery of health promotion and nutrition services through both individual and group interventions.

Evidence requirements for appointment to role:

- 2 years post graduate experience (Desirable).
- Demonstrated ability to provide individual nutrition management of clients.
- Group and facilitation skills.
- Working with people experiencing mental health challenges (desirable)
- Sound knowledge of the laws and ethical standards relevant to this area of practice.
- Understanding of aboriginal culture and challenges providing health services to the Aboriginal and Torres Strait Islander communities.
- Working with Children Check
- Current National Police Check
- Current Australian Driver's License
- Current Covid-19 Vaccination Certificate

Email your CV along with a short cover letter outlining your key skills and experience or for more information please contact HR@southcoastal.org.au
